

The Wells Project 2019 Advocate Application

“For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own... And, they exceeded our expectations: They gave themselves first of all to the Lord, and then by the will of God also to us.” 2 Corinthians 8:3-5

Thank you for considering serving with The Wells Project! We are so excited for what is in store for this year and for our advocates. All students interested in The Wells Project who join in the fall semester are given the role of “advocate.” An advocate is, in simplest terms, a promoter of The Wells Project and our fall campaign, the 10 Days. The 10 Days is a challenge to students and members of our community to give up all beverages besides water for 10 days and then donate the money they saved to Living Water International. Living Water uses the money we raise to drill wells, share the gospel, and teach basic hygiene in Ruhango, Rwanda, where people lack access to clean water. We believe that this simple act of living without luxury for a few days not only changes our own lives, but also the people who receive clean water in the name of Jesus as a result of the money raised by the campaign.

You have your own network and circle of friends that no one else can offer but YOU! Picture this: You get you and your 3 roommates to sacrifice non-water beverages for ten days. You each saved \$3 a day. Your house alone, by saving the money you would have spent on coffee, soda, etc., has provided \$120 towards clean water in Rwanda. Now imagine if 1 in every 50 people at A&M got their house to donate \$120... That’s \$158,820 worth of safe water, the gospel, and hope for the nation of Rwanda. YOU MATTER! If you can participate in this way, we’re beyond grateful. Last year, A&M raised over \$25,000, and this year we are looking to reach that number again. We cannot do this without you!

ADVOCATE RESPONSIBILITIES

As an advocate, possible responsibilities might include posting fliers on campus and social media, participating in on-campus table hours, speaking at student organization meetings, painting signs and banners, or holding banners. The majority of these responsibilities will be carried out during the month leading up to the 10 Days, which starts on November 4th this year. Some follow-up work will take place within the week after the 10 Days.

The great thing about the role of an advocate is that you can make it what you want. We understand that you may be still figuring out what you want to be involved in during college, or maybe you’re already heavily involved in another organization. That’s awesome! Our hope behind the creation of this role is that it can, at a minimum, give you a college experience where you were an advocate for the thirsty. We desire this opportunity to bless you and give you the chance to get to know us, and for us to get to know you. It is our hope that every advocate will remain involved next year, whether that be participating in the 10 Days campaign again, or becoming a member in the spring, and beyond as the future leaders of TWP, if this is what you feel called to! New member applications will go out at the beginning of the spring semester.

The Wells Project desires to be effective in raising awareness and funds for the water crisis on campus and in our community, as well as spreading the gospel and fostering internal community. As an advocate, there are **2 special advocate meetings you are required to attend.**

Advocate meetings will be held at 2001 Southwood Dr. College Station, Tx 77840

- October 16th at 7pm
- October 30th at 7pm

Also, you are more than welcome to attend any social TWP holds on Tuesday nights instead of our regular meetings. And, there is a **\$10 membership due** that will be due at our first advocate meeting.

Please complete this application and email it to twptamu@gmail.com by **11:59 p.m. on October 11th, 2019.** If you have any questions or want to know more about advocacy, feel free to email our president Megan Leatherwood at the email address listed above.

Please Fill out the Information Below:

Name: _____

E-mail address: _____

Class Year: _____

Major: _____

Phone Number: _____

Shirt Size: _____

Please answer these questions completely and thoughtfully.

1. Why would you like to be involved with The Wells Project?
2. Who could you share the 10 Days with?
